

ALL-SEASON LIGHT TRUCK & SUV TYRE

TERRAMAX

PERFORMANCE RATINGS:

The **TERRAMAX H/T** is designed to let you challenge on-off road terrains with confidence. An all-season light truck tyre designed with quiet on-road performance during city and highway use. Deep sipes provide excellent traction throughout the tyre's life.

- Designed with the SUV in mind, the Terramax H/T balances off-road capabilities with characteristics of a comfortable highway tyre.
- Specially formulated compound for improved wear resistance using the latest in environmentally friendly processes and materials.

► Pattern Design:

Improved water drainage for better all-terrain traction. The shoulder's optimized pitch design reduces noise emissions.

4-Channel zigzag grooves:

Maximize water drainage for improved handling and grip in all weather conditions. Zigzag pattern designed to minimise irregular wear.

Sipe Design:

Full depth sipes provide superior traction and handling in water and snow.
