

ULTRA HIGH PERFORMANCE TYRE

ATREZZO Z4+AS

PERFORMANCE RATINGS:

The **ATREZZO Z4+AS** is an ultra-high performance all-season tyre, designed to perform in any weather condition. Engineered for high speed performance, cornering, and braking, the Z4+AS lets you get more out of your vehicle.

- Optimised to deliver a balance between ultra-high performance needs and the comfort of everyday driving in all weather conditions
- The specially designed tread compounds maximise grip and handling in dry weather while also ensuring uniform wear.

► High angle V-shaped tread grooves:

Aggressive high angle grooves enhance water drainage to improve wet handling and hydroplane resistance.

Tread block grooves:

Reinforced block stiffness to promote even load distribution, handling, and uniform wear. Designed to reduce noise emissions for a more comfortable and quiet ride.

Tapered tread edges:

Promotes uniform contact pressure for improved stability.
