

Join our colleagues at the 7th Asian Tyre Show!

The image shows a 3D rendering of a modern, blue and white exhibition booth for SAILUN. The booth features the SAILUN logo prominently on its facade and a large circular graphic in the background. A date stamp in the top right corner of the rendering indicates the event dates: 13-15, 11, 2013. The booth is set against a dark blue background with glowing light effects.
